

Pres' message:
I have been fortunate to have been on several winning teams, usually in a fairly minor role. And such is the case with the OVAH. With all the tech help and the fun I have had with all of you it was the pinnacle of honor to accept the Healey Award. (I've been exalted beyond my capabilities.)
We are a winning team. The award is for every member of the Club no matter what your contribution. We get participation because we have fun. Having fun draws people and happy people make things happen.
Congratulations OVAH, lets see how much fun we can find for the rest of the summer. We might try to bring some fun to Children's Hospital on 11 August. Skip the Pres
