## Ohio Valley Austin – Healey Club

June 25 (Saturday) **Ladies Day**

July 23 (Saturday)

September 3 (Saturday)

- Rain or Shine

Location: Live Oak Vocational School - 5956 Buckwheat Road - Milford, OH 45150-2287. Exit # 57 from 1-275 and go northeast on Route 28. (towards Blanchester) use the bypass - Right on Buckwheat Road (@Circle K gas station) this is the nearest rest room and store.

**Time: The main gate opens before 9:00 AM. Registration is the first 20 cars with up to 25 drivers. The maximum is usually reached BEFORE 10:00 AM. Runs start as soon as possible. Clean up about 3:30. The more help picking up cones and cleaning the earlier we leave.**

**Cost: \$25.00 per Driver - Max - 25 drivers - spectators free! - Rain or Shine**

Everyone will be required to sign a waiver and all drivers are required to work the course when not driving. Bring chairs and a cooler; there is shade available. No alcohol.

Required Equipment: A safe/functioning car (we will inspect it) any make or model, the cooler the better; Helmets are required for drivers and passengers. There are usually loaners available.

Goal: "Fun & Family Oriented Gymkhana" Meaning - street legal tires driven to the event only (no tire changing is allowed); No trailered cars unless they are vintage European or Japanese. We may give out awards for improvement over the day i.e., training.

This event is designed to be a safe, fun way to enjoy your automobile. No dangerous driving or recklessness will be tolerated. We operate near a residential section and ask that the exhaust system be street legal for noise. **Regardless; we reserve the right to determine if it toooo loud.** We want to come back next year.

We would like to see more vintage iron in 2016.... Remember - you are competing against yourself, not others - come out and have some fun with your car!

# tech sessions

The OVAHC tech team had another session on Winston, the Bugeye of Lauren Davidson, on Saturday 5/28/16. Assisting was Richard, Bernie, Tim, and Lauren's husband Troy. We got the fuel lines, pump and tank finished. Bernie and Richard installed the wiper linkages. Lauren installed all the switches and gauges in the

dash. The diff and transmission were filled, and the brakes bled. Next time we should finish the exhaust, fill the engine with oil and water and complete the dash installation. Then it will start right up!! The rest of the tech team were at the Conclave Marriott enjoying filling goodie bags, etc.

**R**ichmond, Indiana will be the host city for the 2016 September Roundup.

Located in east central Indiana on the Ohio Indiana state border Richmond was founded in 1806, the same year President Thomas Jefferson authorized the building of the National Road to help western expansion for this young nation.

Construction began in 1811 at east end, Cumberland, Maryland. The National Road would eventually stretch to Vandalia, Illinois. We're only going to use the Richmond/Wayne

County segments, not the entire 630 miles, so join us for a great 3 days in a historic town, on a historic road with your historic car!
