From The Editor...

Its going to be another great year for the Carolinas Austin-Healey club! Check out the 2017 calendar on pages 7-8.

We have a very good mix of tech sessions and driving events this spring. See pages 12, 17 & 18. Speaking of driving events, we are going to have a refresh of regalia this year to wear on our drives and to events. Let's promote our club and marque! So save your pennies for new polos, T's, hats and jackets. See page 14.

Bill Walton, Editor
Carolinas Austin-Healey Club

As most of you know my 100 has returned from a two-year, full-body restoration, and once it took up residence in the garage, Beth mentioned that now the interior looked a little worn. Not too sure if she meant I should spend money upgrading the interior, I carefully broached the subject and she seemed agreeable to buying new seat covers and carpet. So naturally I ordered everything within minutes before she changed her mind and stopped my dream of having a car that might come close to the level of restoration set by Stuart Shepherd and many others in our great car club. Now everything has arrived and the seats are out to be recovered and I've been on my knees pulling out the old carpet and foil insulation material I installed 20 years ago... what a mess! I have contacted Pat Hill at Koolmat up in Mooresville and we decided to have an impromptu technical session where she'll cut out the pattern for my car on her great laminated insulation material, and we'll discuss various options to reduce and eliminate heat issues with our Austin-Healey's on Saturday, February 18th. Unfortunately, our newsletter will probably arrive after the session, but we'll get information and details for discussion at our next meeting at the Light Rail Restaurant.

If you missed last month's meeting, Bill Walton gave us a great report on the work his 2018 Southeastern Classic committee has been doing on our club's behalf indentifying potential venues for our hosting of this Austin-Healey regional event in 2018. This is not an easy task as we need a venue with 100+ rooms, a banquet hall capable of hosting a couple hundred folks and a place to hold all of our traditional events including a car show. This is our club's only real money-maker and it only comes along every five years or so. Plus our past success at hosting this event has set a very high standard that we want to maintain. We are still well over a year away from this great event, but hopefully everything will come together and our membership will step forward and help us keep the Carolinas Austin-Healey Club's reputation for putting on a great event in 2018.

Now we need to focus on this year and April is fast approaching when the classic sport car events start to happen almost every weekend. April has the Columbia, SC, event, the Gathering at Shelton Vineyards up in Dobson, NC, and the Cape Fear club's show at Wrightsville Beach. Check out our club calendar in this newsletter and start to plan your year of great Austin-Healey events. Hopefully, we'll see you all at the Light Rail Restaurant for our monthly meeting. We've got lots of stuff to talk about, but the real fun is seeing all our members.

Happy Healeying,

Dick

MINUTES - CAHC - JANUARY 16, 2017**Page 1 of 2**

The Carolina Austin Healey Club met on Monday, January 16th with 37 members in attendance.

In his role as new president, Dick Lunney started the meeting by telling us he spoke with Joyce Allen and she is happy to host the gathering at her lake home. She is looking at dates after June 12th when her grandson, Craig will be out of school.

Dick went on then to ask if the minutes were approved as written and they were accepted. I did make mention, that after speaking with Linda Brown, I made a correction to her having fluid removed from her lungs not her heart. I corrected the minutes. Fred Dabney then gave the treasurer's report. Our December ending balance is \$4,903.46. In Priscilla's absence, Fred told us that 56 members out of our 111 have renewed thru Priscilla. There were also renewals thru the website. The deadline for renewing is now the end of January. Dick went on to say that the Planning Meeting last Saturday had a very large turnout and a lot was accomplished. It was mentioned at the Planning meeting that 2017 will be the 50th anniversary, celebration or wake of the last Healey built. This white BJ8 with black interior, was completed in March 1968. The club wants to do something for this occasion, any ideas from members. Charlie gave us some information on the coastal trip he and Peggy are planning. It was suggested and widely received to combine the Wilmington car show, in May, with their outer banks trip. Charlie and Peggy are working out a time frame and details. More info to follow.

Bill Walton then made a presentation for the Southeastern Classic we will be hosting in 2018. He has put together committees as follows:

Registration - Ann Jones

Treasurer - Ted Sjolander

Regalia - Charlie & Peggy Grobusky

Hospitality - Annette Porter & Paula Clark

Site Selection- There will be 5 couples looking into where this event will take place.

Bill Walton & Debbie White

Charlie & Peggy Grobusky

Chuck Reeves & Jan Saxe

Ted Sjolander & Glenda Kale

Don & Donna Lamonds

MINUTES - CAHC - JANUARY 16, 2017

Page 2 of 2

There will be guidelines for the sites which include, hotel to accommodate 75 to 250 guest rooms. Separate area for the Healeys to park and hold the car show in close proximity.

So far the following sites are in contention.

Don Lamonds researched The Brookstone Inn in Old Salem, NC - Has 70 rooms, a banquet room to hold 150 guests, complimentary hot breakfast every morning as well as afternoon appetizers and nighttime cookies and milk. There is a lot to do in the area including the Old Town Village in Winston Salem.

Fontana Village Resort at Fontana Dam, NC has 90 rooms plus cabins and has a lot to do in that part of NC

The other site was The Dillard House in Georgia. This site has 70 rooms and is in a beautiful part of Georgia with lots to do in the area.

Further investigation as to cost and availability is underway and all information will be needed by May 1st. The committee will then put a presentation together to present in October at the Southeastern Classic to be held in Guntersville, Alabama. They are looking into dates in September to mid-October. Event budget and registration forms will then be put into place.

Bill Walton then talked about Regalia for our club. He presented our club logo and the idea to change it. He showed us the logo he and Debbie worked on. This new logo was warmly accepted by the members present. He suggested we have this new logo printed on all regalia and we wear our items so people will be aware of our club and the Healey. He suggested that we charge the members no more that \$5 over the cost to the club for purchase. He is going to look into cost for different items to sell.

Don Lamonds won the 50/50

Does Your Healey Leak Oil?

by Stuart Sheperd

" Most of our Healeys drip a bit of oil from the cotter pin in the bottom of the bell housing. A simple way to catch the drips is to take a bread baking pan, drill two holes to match the bottom two bolts in the lower bell housing, shape the bread pan to fit the contours of the bell housing and bolt it in place. I made a drain plug but have never had to use it as the oil collected dries up long before the collector pan fills up.

The pan keeps the garage floor clean but also prevents oil from spreading all over the underside of the car. Paint it engine green and it looks like a factory option"

Volunteers needed for short Tech articles for the March and April newsletters. Please submit your articles to me at bill.walton@mac.com by 3/14 for the Mar newsletter and by 4/14 for the March newsletter.

I will be glad to come to your garage to take pictures for your article.

Special February Tech Session

When Dick Lunney brought his restored Austin-Healey 100 BN2 home, his wife Beth said it looked so good they really should update the interior. Quickly, before she changed her mind, Dick ordered new seat covers and a carpet kit which has just arrived and as he began to remove the old carpet he realized the need to upgrade the old insulation he installed 20 years ago. He contacted Pat Hill at Koolmat in Mooresville, and they decided to invite our club to see the Koolmat automotive insulation cut for his car and have Pat demonstrate the latest classic car heat elimination technology available for our cars. The date for this tech session is Saturday, February

Southeastern Classic XXXII Planning Fall 2018

Many of you know that last year our club approved the hosting of the 32nd Southeastern Classic (SEC) in the fall of 2018. We are not new to hosting this event as this will be the 7th SEC we have hosted.

The planning is already underway. Following is a summary of the brief update I gave at the January club meeting;

Event Date: September or early October 2018

2017 Key Dates:

- Site Selected-May 2017
- Event Preliminary Budget-July 2017
- Registration Form Completed-August 2017
- Carolinas Club Presentation Announcing SEC XXXII-October 14, 2017(Presented at SEC XXXI at Lake Guntersville)

Committee Heads To Date:(There will be a number of additional committees and assignments, so these are just the 1st Six):

- Chair Person-Bill Walton
- Registration-Ann Jones
- Treasure-Ted Sjolander
- Regalla-Charlie and Peggy Grobusky
- Site Selection-Six Couples-see below
- Hospitality-Annette Porter & Paula Clark

Site Selection Committee(if you have a recommendation, please pass it along to one of these individuals):

- Bill Walton & Debbie White
- Ted Sjolander & Glenda Kale
- Mike & Lisa Bond
- Don and Donna Lamonds
- Charlie & Peggy Grobusky
- Chuck & Jan Saxe

We will update the members as we make progress on a site and as the organization for the event progresses. Bill Walton

Club Regalia

Carolinas AHC Logo

At our last club meeting we made a pitch to the members to invest in and wear more club regalia to help promote our Carolinas Healey Club as we travel to different British car and Healey events. To help spur more regalia sales we presented a proposal for a new club logo. **We propose the regalia cost to club members will be close to or at our cost.**

Both logos are simple designs, but speak to our affiliation to our British marque and that we represent the "Carolinas" region of the Austin-Healey Club. The top one is a British flag overlaid on an outline of North and South Carolina with our club name "Carolinas" and the 2nd one the Healey wing. We had positive feedback & input on our proposals both during and after the meeting. Below are two revised samples. We would use these, along with a small British flag on the sleeve, on polos, t-shirts, hats, hoodies, car covers, etc. We hope to have a few samples Monday at the meeting. Bill Walton & Debbie White

Super Bowl Party

The Super Bowl party at Jones' Dome was a big success. Our host, John/Ann Jones did a great job in making it an exciting and fun evening.

Pool winners were Linda Brown, Linda Brown, and Dick Lunney. Dick also won the final in OT!

Southeastern Classic XXXI

October 12 - 15, 2017

Lake Guntersville, Alabama

SAVE THE DATE!

The Atlanta Chapter of the Austin Healey Club of America is proud to announce that the 2017 Southeastern Classic will return to Lake Guntersville State Park in Northeast Alabama.

Save the Date! **October 12-15 2017!** You don't want to miss this one. It will be a great time to spend with old and new friends experiencing wonderful fall temperatures, brilliant colors and magnificent sunsets at the Lake Guntersville Resort Lodge located high above the banks of the Tennessee River.

There will be a full schedule of Healey activities including road rally, car show, funkhana, tech sessions, regalia, arts and crafts, awards banquet and of course some Friday night fun and laughter. It's just going to be a "Heehaw" kind of weekend! Be sure to pack your overalls and straw hat. If that's not enough there will be free time to relax with friends, go antiquing in town, visit local vineyards, explore hiking trails, go caving, golfing or just drive your Austin Healey on the numerous country back roads. Many area attractions are also nearby such as the Huntsville Space Center.

The car show will be held on Saturday morning along the shores of beautiful Lake Guntersville.

Lake Guntersville State Park overlooks the majestic 69,000-acre Guntersville Reservoir, and ranges over more than 6,000 acres of natural woodlands. The park has an 18-hole championship golf course, a beach complex, fishing center, hiking trails and nature programs. The resort lodge and chalets are located on the pinnacle of Taylor Mountain for spectacular vistas. Visit their website for more details. www.alapark.com/lake-guntersville-state-park.

Be sure to mark your calendars and make your plans to attend. Registration forms will be available this summer by accessing the Atlanta Club's website at www.atlantahealeys.org. For additional information contact John Bowen, Event Chair. Phone 404-808-0401. Email johnbowen17@gmail.com
