President's Notes-April 2017

If your newsletter this month is late the blame rests with me. Bill has sent me a couple of reminders and I keep telling him I sit down and write my column, only to get distracted with other tasks. No excuse, but I had to play golf (a couple of times), I had to get my newly restored Healey back over to David Brown's ESP Motorcars shop for final detailing for the upcoming Gathering at Shelton Vineyards next weekend, and I had a few projects around the house. None of these activities justifies my tardiness and I apologize, but hope this might be the final failure on my part that gets me impeached...I'll be holding a special impeachment meeting before our next club meeting on Monday evening and I hope we have a good turnout.

Now my column that everyone has been waiting so long to read...

Those of us who ventured south to Columbia for the wonderful car show and the Tartan Games at the old Columbia Speedway had a great time. Our little caravan that met at the rest area south of Rock Hill on I-77 had a easy drive and caught up to Mary and Stuart Shepherd as we reached the outskirts of Columbia. Check in was a breeze and the show field was well laid out for the record 120+ cars on display. Bagpipes were playing in the background and the vendors offering all things tartan were doing a brisk business all day. Several of our members had made it down earlier including the Jones and Jerry Price, but the number of Healeys seemed to be a little lower that past events, but other marques, most notably the Sunbeams, made up for it creating a great display. Beth and I enjoyed the lunchtime ceremonies of bagpipes and drums, sitting right next to the area where large bearded men in kilts twirled and then threw heavy lead weights...and we discovered what they wear under their kilts! Lunch was tasty Shepherd's pies and top off the day our well worn and tattered MGB won third place in the large rubber bumper class.

The big news for the Lunney's is that I finally finished (with the help of Seth at EVR) the new interior installation on my BN2. It looks great now, but it wasn't done in time for the Columbia show and Beth and I have a conflict next weekend which will keep us from attending the event at Shelton, but the Healey will be there without us with David Brown driving it up with his brother and his concours MGA.

Then in May several of us are planning on driving down to Wilmington for the wonderful show at Wrightsville Beach. We'll be staying at the Massey's wonderful Healey B&B and Bill and Gail have advised me that they still have room for one more couple should you want to join us.

MINUTES - CAHC - MARCH 20, 2017

April 2017

The Carolina Austin Healey Club met on Monday, March 20, 2017 with 33 members in attendance. Dick started the meeting by asking if the minutes from the February meeting were accepted as written; a motion was made and they were approved.

In Fred Dabney's absence I reported (as per Fred's phone call) the net balance as \$5,335. Priscilla Dabney was also not present and the membership is running between 99 and 110 members. Fred also expressed a desire to resign from the Treasurer's position, but will stay until a new Treasurer is in place. If any member is interested in this position let Dick know.

Rick Lee was proud to announce that his first grandson was born and this makes his second grandchild. Treasure and Alan Teague told us that when their son was in Paris, they met the Prince and Princess (William and Kate) at a Paris Museum. Very exciting for them.

Bill Walton was again mentioning the new Regalia shirts, hats and jackets. He took more orders. If you still wish to purchase one of these items contact Bill. He said he is also looking into car covers and hoodies. Bill Walton then gave an update on the Southeastern Classic, our club will be hosting in 2018. No plans were finalized but, it looks like the Charleston area will be the venue. Patriots Point would be the area for the car show and the Hotel is the Hampton Inn. They have enough rooms available for us. They would give us four extra rooms for Hospitality. They are one mile from Patriots Point. The room price would be \$123 with taxes and breakfast. Carl Brown made a motion to accept the Charleston area and the Hampton Inn as our hotel. It was seconded. It was voted for a committee to secure the dates and book the hotel.

Linda and Carl Brown mentioned that they had lunch with Marion and Gerry Coker while on their trip to Florida. They are both doing well, but will not be taking any long trips anymore. George Hege welcomed Chuck Anderson back from his absence due to health issues. Edie and Chuck are both feeling much better.

The Mountain trip in August with Chuck Reeves is booking up fast if you intend to go please book your hotel soon. Carl Brown gave an update on Conclave 2017, in Waco, Texas. Bob Gilleland said they only had 51 registrations at this time and if you plan on attending please get your registrations in. Some members were thinking of shipping their cars. The Outer Banks trip with Charlie and Peggy Grobusky is underway and more information to follow. April 1st is the Tartan Day - Scottish Games in Columbia. April 22nd - The Gathering at the Shelton Vineyards. Contact George Hege for more information. April 29th The Broad River European Classic in Shelby - contact Treasure Teague for more information.

Club Regalia Carolinas AHC-New Club Logo

Club Polo Shirts have arrived. They look great. No T-shirts yet. Pickup and payment to CAHC Monday evening at the meeting. If you can not attend, please arrange for another club member to pickup/pay for you.

We will also take orders for **club hats** Monday evening. See description below. We offer have a wide range of colors.

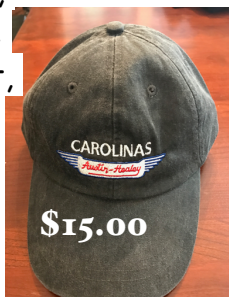

Send me an email if you would like to order a hat, polo or T-shirt.

Polos are 6.5 oz, 100% combed ring-spun cotton preshrunk double pique knit, side seamed with side vents. Even though they are preshrunk, I think they run a little smaller than normal, so order your size accordingly. Price with our club logo at only \$23, and on the right, with the Healey wings for only \$21(2XL +\$1.50). Both have a British flag on the right sleeve.

Club Hats: Pigment dyed and garment washed, antique brass buckle with tuck-in grommet, Cool-Crown™ mesh lining, self-fabric sweatband with four rows of stitching, matching sewn eyelets, pre-curved bill

T Shirts are also 100% cotton and come the Austin-Healey Wing on the front and our club logo on the back. T's are \$8.00

Brake Light Switch

This did not work but I share it with you so no one else wastes the time trying it.

Over the years I must have had 3 of these brake light switches fail. So I soaked it overnight in lacquer thinner, sprayed the inside with electrical cleaner, activated the mechanism a few times with a long drill bit and although I can feel the switch moving, no electrical connection is made. So new switch is on order. If I could feel energetic I would fit a mechanical switch but these days I take the easy route.

From the editor: I have had good luck with NAPA ECH SL144 (\$14) as a replacement for a Lucas switch. Photo below. Also highly recommend installing an auxiliary mechanical brake light switch NAPA SL169 SB (\$6). Photo on right.

Volunteers needed for short Tech articles for the May and June newsletters. Please submit your articles to me at bill.walton@mac.com by 5/12 for the May newsletter and by 6/10 for the June newsletter.

I will be glad to come to your garage to take pictures for your article.

Carolinas AHC Tech Articles

Rear Bumper Overriders

When we were part of the North Texas club there was a guy with a big Healey who's rear bumper overriders had the top two inches cut off so that the trunk lid had clearance to open. That may be an extreme out of alignment problem and a radical way to fix it but it is fairly common to see bumpers out of alignment and or overriders leaning one way or another affecting the appearance of the car.

There is a fairly easy way - not for the timid - to get the rear bumper installed and looking good if the brackets are not now straight.

- 1). Remove the bumper and set it aside for now.
- 2) Ensure the structure inside the boot is sound and that the four bumper brackets are moved rearward in the slots before the four bolts are tightened.
3. Eyeball the bolt holes in the brackets where the bumper attaches as well as eyeball the curved brackets and see if they are in alignment with each other and perfectly horizontal with the rear body. (Note the eyeball method is is very accurate) use a straight edge or pull a line if you like but the end result will be no better.
4. Adjust brackets where necessary by sliding a long metal tube over the end of each bumper bracket to bend it up or down until all four are aligned and horizontal.
5. Make sure the face of each bracket is vertical and adjust by twisting with a long adjustable wrench.
6. Take a measuring tape and see if left and right bracket pairs are equal distance from rear body.
7. Test fit bumper and overriders to ensure trunk lid has adequate clearance and for appearance of bumper end gaps and body line. Make adjustments where necessary .

Note: it helps to have a few taper punches on hand to get the bumper bolts aligned with brackets. Washers might be needed to act as fine adjustment shims between bumper and brackets.

SPRING TUNE UP MARCH 25TH-ELITE RESTORATION

Spring Tune-up Session (This was the 2nd Tech Session offered to Carolinas AHC members in 2017! Definitely a good start to the year.)

We had a good turnout at the Spring Carolinas Austin-Healey tech/ inspection session at Elite Vehicle Restoration in Denver near Lake Norman. Seth and his crew identified a number of issues on our Healey's including fuel leaks, incorrect timing, tappet oil leak, water pump leak, lose bolts, etc, etc. Most of the items were able to be corrected on the spot. Tech sessions like this are some of the many benefits of

Testimonial From a Member

Editor: I received the following email from fellow club member Alec Dryburgh who is in the early stages of fixing up a recently purchased '62 BT7 Tri-Carb.

"Hi Bill:

Just want to share some pictures from today. Carl Brown came down from Salisbury to help/ show me how to rebuild my carburetors.

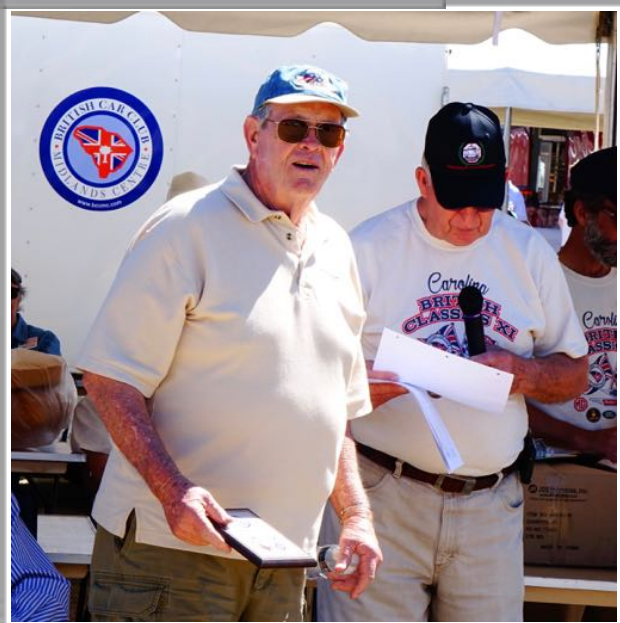

He isn't the only one who have helped thus far. You, Mike Bond and Ted S. have been at the ready to help. If it weren't for the support and members of the club, I would have never had bought this car and began this journey.

Anyway, just wanted to express my gratitude and share some pictures from today. Alec"

The Gathering

April 22 2017

**Questions: Contact Sponsors George/Marilyn Hege at

Time for The Gathering!

It's coming soon! One of the best events of the year is The Gathering, that picturesque, fun, and relaxing car show in the rolling hills of Shelton's Vineyard. It will be here again on April 22nd!

This year the Triumph Club is showcasing the Spitfire, MG Midget, A-H Sprite, and the original MINI. It is always exciting to see what cars, and, old and new friends, show up. What a beautiful venue, incredible classic British cars, and, the Triumph Club always does a fantastic job!

Please pack a lunch and let's have a picnic, enjoy the wine tasting and/or tour, Wrench Wracing, car talk, visiting, and about 300 of the finest British Cars in the area at this great event. Of course, our favorite sports cars of all, the Austin Healeys, big and small, need to have a big showing.

We invite you to join us for breakfast at the Acropolis Restaurant at Exit 28 off of I-77 at 8:00, which is when they open. That's the Cornelius Exit, and if you are going North on I-77, go east (right) off of the ramp on Catawba Ave. Across the street on the left, next to the SECU Bank, is the restaurant. (20659 Catawba Avenue, Cornelius, NC 28031. 704-894-0191) We will convoy after breakfast to Exit 93, Dobson, NC, about 1 $\frac{1}{2}$ hours away, leaving at 9:00. I have made reservations for 20, but there really is no limitation, for we usually have others join us who are on the way to Shelton's, too. I just wanted to make sure our CAHC is covered.

Please join us! See you there!

Southeastern Classic XXXI

Oct 12-15, 2017

Welcome to the computer age, the Atlanta Chapter, courtesy of Glenn Stephens, has completed the set-up for on-line registration for the first time for the 2017 Southeastern Classic using MotorsportReg.com. A few of us have taken a test drive and have registered for the event using the website. It is really cool. Glenn has incorporated many features and content into the registration website to make it informative and user friendly.

You can use this shortcut link for registration: msreg.com/SEClassic. If you have any additional registration ideas or questions, please let us know. This is the first time for on-line registration of the SEC. We will have a paper back-up form available for the less computer savvy.

FYI, the telephone number for room registration at Lake Guntersville State Park is 256-505-6621 and the group code is 5792 for our Austin-Healey car show. You cannot register on-line to get the group room rate at Lake Guntersville State Park. You must call them, and they are not open at all hours of the night.

Southeastern Classic XXXI

October 12 - 15, 2017

Lake Guntersville, Alabama

SAVE THE DATE!

The Atlanta Chapter of the Austin Healey Club of America is proud to announce that the 2017 Southeastern Classic will return to Lake Guntersville State Park in Northeast Alabama.

Save the Date! **October 12-15 2017!** You don't want to miss this one. It will be a great time to spend with old and new friends experiencing wonderful fall temperatures, brilliant colors and magnificent sunsets at the Lake Guntersville Resort Lodge located high above the banks of the Tennessee River.

There will be a full schedule of Healey activities including road rally, car show, funkiana, tech sessions, regalia, arts and crafts, awards banquet and of course some Friday night fun and laughter. It's just going to be a "Heehaw" kind of weekend! Be sure to pack your overalls and straw hat. If that's not enough there will be free time to relax with friends, go antiquing in town, visit local vineyards, explore hiking trails, go caving, golfing or just drive your Austin Healey on the numerous country back roads. Many area attractions are also nearby such as the Huntsville Space Center.

The car show will be held on Saturday morning along the shores of beautiful Lake Guntersville.

Lake Guntersville State Park overlooks the majestic 69,000-acre Guntersville Reservoir, and ranges over more than 6,000 acres of natural woodlands. The park has an 18-hole championship golf course, a beach complex, fishing center, hiking trails and nature programs. The resort lodge and chalets are located on the pinnacle of Taylor Mountain for spectacular vistas. Visit their website for more details. www.alapark.com/lake-guntersville-state-park.

Be sure to mark your calendars and make your plans to attend. Registration forms will be available this summer by accessing the Atlanta Club's website at www.atlantahealeys.org. For additional information contact John Bowen, Event Chair. Phone 404-808-0401. Email johnbowen17@gmail.com
