ANNUAL BBQ AND DAYTONA 500 PARTY

By Jim Richmond

The day started out cloudy with a slight drizzle. The forecast was even worse. That did not stop the following from taking part in this annual event at our home:

Tina & Bob Adkins	Joy & Michael Escriva
Bonnie & David Ayer	Lynn McKinnie
Jerry & Doug Bashrum	Doris & Jaime Molina
Lera & Ron Borden	Jim & Karen Richmond

As the day wore on the weather improved enough for Lynn to drive his BJ8 to the party and for me to fly the British Flag. Finally, the sun came out and the temperature warmed up enough for many to spend time out on our porch.

There was the usual drawing of race drivers for the grand sum of \$1 per driver. After crashes eliminated at least half of our picks, Jerry Bashrum's pick of Kurt Busch won the race and Jerry came in first winning 60% of the pot. Doris Molina's pick, Ryan Blaney was second and AJ Allmendinger, Lera Borden's draw came in third. The rest of us went home at least a dollar poorer, but with a full stomach.

Many of us watched the first few and last few laps of the race and spent the rest of the time in the garage talking Healeys or on the porch visiting with fellow club members. Of course we checked the TV once in a while to see if our driver was still in the race.

When the checkered flag finally fell, the brisket was carved into slices and all the other food was laid out for our feast. With dinner over it was time to go home. Lynn, heeding the advice of Joseph Lucas "a gentleman does not drive his automobile after dark", left before sunset.

A good time was had by all.

(Editor's note: A good time, *plus* terrific brisket, beans and beer were had by all! A huge "thank you" to Jim and Karen for another outstanding Daytona party! RB)

(More party pictures are on pages 3 & 4.)

President's Ramblin's

By Jim Richmond

Welcome to the newest member of STAHC! Macaly Lutrick, 7lbs, 9oz, was born last Friday (February 24) to Melissa and Carl Lutrick. Julie Miller, Bonnie Ayer, and Karen Richmond planned to have a baby shower for Melissa at the Miller home on February 25, however, Macaly's arrival one day before required that the shower be held at the hospital. Congratulations to the Lutricks!

Welcome also to Ed Dingivan! Ed, who recently joined STAHC, lives in San Antonio and is restoring a Sprite.

(Editor's note: I visited Ed's home and got to look at his Bugeye Sprite project. Ed is doing a top-notch job on his restoration. RB)

Since AHCA is still busy processing renewals from all over North America, I may have missed other new members. If you have recently joined our club please let me know. If you forgot about that renewal notice now is the time to dig it out and take care of it.

Last Sunday, Karen and I hosted the annual barbecue party to celebrate the opening of the 2017 NASCAR racing season. My story and Ron's photos appear on pages 2-4.

Scheduled for this month is a highway pickup next Saturday (March 4) in Blanco, and a tech session on

(continued on the next page)

March 25 at Adkins to install tonneau covers on the Adkins' and Millers' Healeys. Installing tonneaus is becoming an STAHC specialty! Directions are provided below.

Bob & Pam Chamberlain received a longevity award for their 30 years of membership in AHCA. (See page 27 in the March Healey Marque. On page 33 of the same issue is a report complete with photo from Julie Miller about our recent holiday celebration.

Editor's Ramblin's

By Ron Borden

As promised in last month's *Rumblings* the "Getting

to Know You" series starts with this issue. Jim and Karen Richmond will be in the spotlight to kick it off. Next month the Escrivas will take center stage. And in the May issue will be a look at me and Lera. Enjoy.

Remember, whenever possible, "drop-the-top!"

Ron

"Getting to Know You"

Jim Richmond's Biography

My life began in Chicago Illinois on February 16, 1938. When I was seven years old, my dad, who worked as a sales correspondent at the du Pont Company, was transferred to Wilmington Delaware. After three years in the Wilmington area, my family moved to Cleveland Ohio where I grew up and lived for the next 26 years.

It was during that time that I met and married Karen in high school. We have now been married for 60 years during which time we raised two sons and two daughters. They, in turn, now have our four grand-daughters.

It is also during this time that I first drove a sports car, my brother's Mk II Sprite. Having enjoyed his car very much, in 1966 I bought a two-year-old Mk III Sprite. But I'm getting ahead of my story.

In 1960, I graduated from Western Reserve University in Cleveland with a bachelors degree in business with a major in accounting and went to work for Ernst & Ernst (now known as Ernst & Young). After five years at E & E, I took a job as an accountant at Cook Coffee Company, another Cleveland Company.

In 1974, Karen, our four kids and I moved to Houston, Texas for a job with Fairmont Foods. It was there that I purchased a BJ8 phase 1 (the 1964 Sprite was long gone by then) and joined the Gulf Coast Austin Healey Club. Ownership of the BJ8 lasted just four years and was followed by the purchase of a non-running Bugeye in need of restoration. I still have the Sprite and it is still being "restored" and "improved".

1984 saw another job change and a move to Scottsdale, Arizona. Our stay in the Phoenix area

ended after just two years with another job change
(continued on page 6)

(continued from page 5)

and a move to Indianapolis, Indiana. At Steak 'n Shake, I was no longer an accountant. My career took an unexpected turn and I found myself locating and purchasing new restaurant sites in several areas of the United States east of the Mississippi and running the franchise department at Steak 'n Shake.

During our sixteen years in Indianapolis we joined the Central Indiana Austin-Healey Club and, this time, we became active members. I purchased the 100 BN1 from a fellow member of the CIAHC the same car that has now undergone a complete restoration.

Upon retirement, we moved to Tapatio Springs outside Boerne, joined and became active members of the South Texas Austin-Healey Club.

I hope that this story helps you know Karen and me better. We look forward to reading about other STAHC members in future *Rumblin's*.

ON THE ROAD AGAIN & AGAIN

IN YOUR HEALEY

- A Healey Driving Contest -

To encourage driving your Healeys, and to add even more fun to driving them (it's a blast just to drive one around the block isn't it!) the club has come up with a contest to accomplish just this. And maybe you will see some new and interesting places while participating.

Contest Rules:

PLACES TO VISIT IN YOUR HEALEY

30 cities, unincorporated areas, census-designated places in Texas with like named areas in other States are eligible to be visited via an Austin-Healey and are listed on page 7.

22 are within 100 miles of the center of Austin or San Antonio and will be awarded **1 point**.

8 are more than 100 miles from these centers and will be awarded **2 points**.

Twin locations for these places in other states are also listed. If you also visit these out of state locations in your Healey you can earn bonus points, 2 points if the place is in an adjacent state and 3 points if it is farther away.

If you happen to be driving your Healey outside the United States and take a picture of it in a place with the same name as one of the 30 locations listed above, you will earn a whopping **extra 5 points!**

ENTRIES

To enter this contest and be eligible for one of these great prizes you must submit photographic proof of your visit to the designated place no later than **November 15, 2017**. The photo must show your Healey at a recognizable location in one of the designated places such as a sign with the name of the place (road sign as you enter the place, Post Office, city hall, etc.) or other item recognizable to the judge. Send your entry to the judge at **jkrich@gvtc.com**
